AE-BS01, BS02, & BS06 Countertop Bread Slicers

American Eagle® bread slicers are ideal for supermarket bakeries and retail bake shops. They offer excellent performance and value for your money. A variety of thickness specifications allow you to choose slice that is perfect for you! They are simple to operate and slice through all types of bread: crusty artisan to soft sandwich.

Let us help bring you satisfied, repeat customers!

- Unlike manual slicing, our bread slicers help maintain the bread's shape
- Your customers will appreciate the bigger looking slice and perfect taste
- Bread slicing is an added service that sets your store apart to the customer
- Easy to train new employees for operation and professional service

AE-BS01 Front Load Electric Bread Slicer with Safety Guard:

- Lasting performance and worry-free maintenance
- Front-mounted, stainless steel bagging shelf
- Removable crumb drawer, Automatic bread pusher mechanism
- Easy-wipe surfaces that are rust and corrosion resistant
- Independently mounted blades made from heat-treated steel for durability
- Safety guard protects operator from blade contact
- Enclosed, permanently lubricated motor for food safety
- Compact design and long 6 ft. cord and plug
- Standard warranty of 1 year parts, ninety days labor

AE-BS01

AE-BS06 Gravity Assisted Electric Slicer:

- Heavy-duty construction for quiet operation with minimal vibration
- Loaf pusher mechanism saves energy by using hydraulics and gravity
- Compact, space saving design and long 6 ft. cord with plug
- Independently mounted blades made from heat-treated steel for durability
- Easy-wipe surfaces that are rust and corrosion resistant
- Standard warranty of 1 year parts, ninety days labor

AE-BS06
