AE-DD30R, AE-DD36 Electric Dough Dividers

American Eagle® dough dividers are ideal for supermarket bakeries and retail bake shops. They offer excellent performance and value for your money. They are easy to operate and handle a variety of dough types and weights.

Increase Efficiency! Make Better, More Consistent Products!

- Unlike manual dividers, our semi-automatic machine rounds the dough
- No flat-tasting bread! Our machine maintains the delicate texture of dough
- Your customers will appreciate the pleasant rounded shape
- Your customers will appreciate the puffier dough volume and perfect taste
- Easy to train new employees to make professional, consistent product

AE-DD30R Semi-Automatic Electric Divider & Rounder:

- Lasting performance and worry-free maintenance
- Enclosed, permanently lubricated motor for food safety
- Convenient one-button safety shutoff
- Machine head tilts for easy knife cleaning
- Easy-wipe surfaces that are rust and corrosion resistant
- Heavy-duty construction and quality materials
- Easy to use, operator-assisted lever
- Standard warranty of 1 year parts, ninety days labor

AE-DD30R

AE-DD36 Electric Dough Divider:
